SCRS Announces Second Affiliate Association Conference Call

Prosser, WA, April 2, 2009 — The Society of Collision Repair Specialists (SCRS), is pleased to announce the second in a series of conference calls designed to allow affiliates to share information and ideas on topics important to the successful operation and initiatives of individual state associations. The inaugural call in February was a huge success with 17 state affiliate associations participating in a healthy discussion about “Membership and Membership Retention.”

“The open exchange of information between our Affiliate Association’s in February on membership was nothing short of a home run,” said SCRS Board Member Stephen Regan who is heading up the initiative. “Almost every participant communicated to the SCRS office after the call that they were able to learn something that would help them improve their individual associations. I am confident the upcoming call will be equally successful,” Regan concluded.

The next conference call is scheduled for Tuesday, April 7th, and will begin at 3:00 P.M. Eastern Standard Time. The topic for this month’s call is “Association Funding/Budgeting.” SCRS will be distributing an enhanced agenda to all of its affiliates prior to the call as before, and will also provide the call in number and passcode.

For more information, contact SCRS Executive Director Aaron Schulenberg at 302-423-3537 or email him at aaron@scrs.com. You may also contact Linda Atkins at the SCRS administration office at 877-841-0660 or via email at info@scrs.com.

***About SCRS:** Through its direct members and 36 affiliate associations, SCRS is comprised of 6,000 collision repair businesses and 58,500 specialized professionals who work with consumers and insurance companies to repair collision-damaged vehicles.
